

*Southern California Conference Literature Ministries is partnering with the Education Department to put on a special edition of GLOW Impact – SCC’s local literature ministry mission trip. It’s called – GLOW Impact! Academy Edition. This mission trip is specifically for students in our local Southern California Conference academies, grades 9-12.*

*On February 9-12, 2018, I will be joining this team of students! We will stay at the Simi Valley SDA Church & School. Our goal is to cover entire cities sharing Jesus-centered literature with every home in a compassionate & loving way! These little tracts encourage people to seek after God and deepen their relationship with Him. And, with all the things going on in this world today – we think this will be a positive way to help. We may not see the life-changing effects immediately, but we know God will be working.*

*GLOW Impact | Academy Edition costs \$125 for each student participating. I want to go and make an impact for God, but I need your help! Any donation will help me get there. To donate, you can visit [www.sccglow.org](http://www.sccglow.org) and click on the “GLOW Impact Academy Edition” tab. There you will find a link to make a donation. All donations are tax deductible. Make sure to indicate that I referred you to the donation form!*

*Thank you for helping me. I’m excited to see what God will do.*

*Sincerely,*
